Gentlemen:

We forward herewith plats, form C-128, in triplicate, requesting approval of a standard gas proration unit for our Lynn B-26 No. 1. Concurrently with approval of this unit we request that the present 160-acre unit for this well and the 160-acre units for each of wells Nos. 2, 3, and 4 be cancelled inasmuch as the latter three wells are being shut-in. It is further requested that the sum of the net status on the four wells be considered as the net status for the No. 1 well.

Yours very truly,

J. R. Parker
