## Santa Fe, New Mexico

## NOTICE OF INTENTION TO DRILL

Notice must be given to the Oil Conservation Commission or its proper agent and approval obtained before drilling begins. If changes in the proposed plan are considered advisable, a copy of this notice showing such changes will be returned to the sender. Submit this notice in triplicate. One copy will be returned following approval. See additional instructions in Rules and Regulations of the Commission.

L CONSERVATION COMMISSION, at Fe, New Mexico, at the first productive oil or gas sand should occur at a department of the Mexico, at the first productive oil or gas sand should occur at a department of the New Mexico, at the first productive oil or gas sand should occur at a department of the New Mexico, at the first productive oil or gas sand should occur at a department of the New Mexico, New Mexico	mmence the drilling "A" well Lease Cooper - Jal (N.)
