Mr. G. Kelley Stout
604 West Grand
Artesia, New Mexico

Dear Mr. Stout:

On October 21, 1948, we received Form C-110, Certificate of Compliance and Authorization to Transport Oil, showing change of Ownership from Brewer Drilling Company to W. H. Price on the H. Whitten Lease Well No. 1, Sec. 33, T. 23S, R. 36E, Cooper-Jal Pool, Lea County, New Mexico.

In your letter of transmittal you state that J. S. Ward & Son, Inc., of Artesia, New Mexico, was handling bond covering this well.

To date we have not received approval of this bond. As it is necessary for the bond to be approved before the Form C-103 and Form C-110 can be approved I thought you might like to contact Mr. Ward to see what is holding this bond up. If he has sent the bond in to the Oil Commission please advise me at once so I may contact my office to avoid further delay in approving this transfer of ownership.

Very truly yours,

Secretary - Hobbs Office
