NEW MEXICO OIL CONSERVATION COMMISSION  
Box 2045  
Hobbs, New Mexico

Gentlemen:

Submitted herein is the Packer Leakage Test, Pressure  
Recording Chart and Diagramatic Sketch of Amerada Petroleum  
Corporation's State LM "T" No. 5.

Due to the recent reclassification of the Jalmat Zone  
to an oil well in the State LM "T" No. 5, a workover was  
necessitated to full-fill commission rules on the mechanical  
installation.

Yours very truly,

AMERADA PETROLEUM CORPORATION

A. E. Snyder  
A. E. Snyder  
District Petroleum Engineer

NEW MEXICO THE CONSTRUCTION COMMISSION

Box 2010  
Albuquerque, New Mexico

Dear Sir:

The attached herein is the checker's report, showing  
Record in, and the descriptive sketch of Amerada Petroleum  
Company's site located in the State of New Mexico.  
The record classification of the same is  
as an oil well in the State of New Mexico, as shown on  
reconstruction of full-scale construction rules on the mechanical  
drawings.

Yours very truly,

AMERADA PETROLEUM CORPORATION

  
J. E. Snyder  
District Engineer in Charge

Very truly yours,

Enclosure
