Attention: Mr. Joe D. Ramey

Dear Sir:

The Amerada State LM "T" #5-C located in Unit "A", Section 36, T-23-S, R-36-E, Jalmat Gas Pool, was closed in at 9:30AM on 2-24-60.

As you know, we have been testing this well to determine its proper classification. Since the gas-oil ratio stabilized at around 55,000 to 1, the well has been closed in pending remedial work.

Yours very truly,

H. C. Cappe
