

OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELLS

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below.

THE HISTORY OF THE UNITED STATES

CHAPTER I

THE FIRST SETTLEMENTS IN AMERICA

The first settlements in America were made by the Spaniards in the year 1492. They were followed by the French, the Dutch, the English, and the Swedes. The English were the first to establish a permanent settlement in America. They did so in the year 1607, when they founded the city of Jamestown in Virginia. The Dutch followed them in the year 1614, when they founded the city of New Amsterdam in New York. The French followed them in the year 1608, when they founded the city of Quebec in Canada. The Swedes followed them in the year 1638, when they founded the city of Philadelphia in Pennsylvania. The English were the first to establish a permanent settlement in America. They did so in the year 1607, when they founded the city of Jamestown in Virginia. The Dutch followed them in the year 1614, when they founded the city of New Amsterdam in New York. The French followed them in the year 1608, when they founded the city of Quebec in Canada. The Swedes followed them in the year 1638, when they founded the city of Philadelphia in Pennsylvania.
