MEMORANDUM FOR THE DIRECTOR

On 10/10/00, the Office of the Inspector General (OIG) received a letter from the Department of Justice (DOJ) regarding the Department's efforts to improve its internal controls. The letter stated that the Department had identified several areas for improvement and had initiated a series of reforms to address these issues. The reforms included the implementation of a new financial management system, the establishment of a new internal audit function, and the implementation of a new personnel management system. The letter also stated that the Department had committed to providing regular updates to the OIG regarding the progress of these reforms.

The following information was provided to the OIG:
