## DEPARTMENT OF CHEMISTRY

The Department of Chemistry is pleased to announce the appointment of Dr. [Name] as an Assistant Professor of Chemistry. Dr. [Name] received his Ph.D. from the University of California, Berkeley, in 1988, and completed his postdoctoral fellowship at the University of Texas at Austin. He joined the University of Chicago in 1990 and has since been actively engaged in research in the field of [Field].

Dr. [Name] will be teaching the following courses:

1. Organic Chemistry (CHEM 210) - This course covers the fundamental principles of organic chemistry, including the structure, properties, and reactions of organic compounds.

2. Inorganic Chemistry (CHEM 211) - This course covers the fundamental principles of inorganic chemistry, including the structure, properties, and reactions of inorganic compounds.

3. Physical Chemistry (CHEM 212) - This course covers the fundamental principles of physical chemistry, including the structure, properties, and reactions of physical systems.

Dr. [Name] is also a member of the following committees:

1. Department of Chemistry - This committee is responsible for the overall management and administration of the Department of Chemistry.

2. Graduate Studies - This committee is responsible for the management and administration of the Graduate Studies program.

Dr. [Name] is also a member of the following organizations:

1. American Chemical Society - This organization is the largest and most influential organization in the field of chemistry.

2. American Physical Society - This organization is the largest and most influential organization in the field of physics.

Dr. [Name] is also a member of the following societies:

1. Society for the Advancement of Chemistry - This society is dedicated to the advancement of chemistry and the promotion of chemical research.

2. Society for the Advancement of Physics - This society is dedicated to the advancement of physics and the promotion of physical research.

Dr. [Name]

Department of Chemistry, University of Chicago, Chicago, IL 60637

Phone: (773) 835-3100, Fax: (773) 835-3101, E-mail: [Email Address]

Dr. [Name] is also a member of the following organizations:

1. American Chemical Society - This organization is the largest and most influential organization in the field of chemistry.

2. American Physical Society - This organization is the largest and most influential organization in the field of physics.
