

NEW MEXICO OIL CONSERVATION COMMISSION

SANTA FE, NEW MEXICO

MISCELLANEOUS NOTICES

JUN 4 1949

Submit this notice in triplicate to the Oil Conservation Commission or its proper agent before the work specified is to begin. A copy will be returned to the sender on which will be given the approval, with any modifications considered advisable, or the rejection by the Commission or agent, of the plan submitted. The plan as approved should be followed, and work should not begin until approval is obtained. See additional instructions in the Rules and Regulations of the Commission.

Place

Date

OIL CONSERVATION COMMISSION,
Santa Fe, New Mexico.

Gentlemen:

Following is a notice of intention to do certain work as described below at the

Kan-Mex Corporation J. L. Coats Well No. 4 in Unit C
Company or Operator Lease
of Sec. 10, T. 24S, R. 36E, N. M. P. M., Cooper-Jal Field.
Lee County.

FULL DETAILS OF PROPOSED PLAN OF WORK

FOLLOW INSTRUCTIONS IN THE RULES AND REGULATIONS OF THE COMMISSION

It has been found necessary that the proposed location of the above well be changed so as to be located 940 ft. south of the north line and 1700 ft. east of the west line of Section 10 - T 24S - R 36E. This change in location was necessitated because of certain obstructions which were found to conflict with the original location when the surveyor had completed his survey.

If a new location is satisfactory, we will appreciate the approval of this change.
