Gentlemen:

This is to advise that on August 26, 1982 the Arco Oil & Gas Company's G.W. Toby W.N. Gas Com. #1 Jalmat gas well located in Unit P of Section 12, Township 24S, Range 36E, Lea County, New Mexico was disconnected from El Paso Natural Gas Company's gathering system. This meter run is blind plated and will remain on location temporarily, but inoperative, until permanent status of the measuring arrangement is determined.

This disconnection was due to advise from the operator and inability of the well to produce into El Paso's 100# gathering system. (Meter No. 60-872-01 and Site Code No. 60872-6-01).

Yours truly,
