In Re: US-355-B Cooper No. 5 Well,  
SE NE Section 14-24S-36E

Dear Sir:

It is requested that our Cooper No. 5 located in the Jalco pool, Unit H, Section 14-24S-36E be removed from the oil allowable schedule after January 1, 1954 and carried as a gas well due to the fact the well has gone to gas. The well is completed within the limits of the Jalco gas pool as defined by Commission order No. R-264.

Attached is a geological section showing the zone from which the well is producing.

Very truly yours,

R. OLSEN OIL COMPANY
