		Shut-in Well	

17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

This well was shut in approximately June, 1972 due to being uneconomic to operate. This well is in an active waterflood project; however, to date the well has not responded to the water injection program. The fluid level is checked periodically. When and if response to the water injection program is noted, the well will be returned to production.

*Expires 4/1/76*

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
