Re: Classification Cooper #6-P  
Sec. 14-24S-36E

Gentlemen:

Your attention is directed to our recent letter advising you that your Cooper 6-P, 14-24-36, would be reclassified and transferred from the Cooper-Jal to the Jalmat pool.

A re-examination of the records by Mr. R. F. Montgomery, geologist, indicated that this reclassification was in error and that the well should remain in the Cooper-Jal pool.

Yours very truly,

OIL CONSERVATION COMMISSION
