Gentlemen:

In accordance with the provisions of Commission Order No. R-520, your Vaughan A-15 10, 15-24-36 which, according to our
(Lease) (Well No.) (S.T.R.)
records, is producing from the Seven Rivers formation, will be placed in the
Jalmat Pool effective October 1, 1955, and from that date
forward will be subject to the Commission's rules and regulations governing that pool.

You are hereby instructed to file Form C-110 in Quintuplicate with the Hobbs
Office showing the change in pool designation not later than September 1, 1955. If
you desire to produce this well into common tankage with other wells in another pool
which are located on the same basic lease, please incorporate the following statement
on the form C-110: "Permission is hereby requested to produce this well into common
storage with wells on the same lease currently prorated in Cooper Jal pool."

If you do not agree with this classification of your well you should notify
this office in writing immediately.

Failure to file Form C-110 by the specified time will result in Allowable
cancellation.

RE: REQUEST FOR WELL RECORD

~~Paul P. Scott Trust~~

~~First National Bank in Dallas~~

~~Dallas, Texas~~

Gentlemen:

In connection with Commission Order R-520 an examination of the records of all oil and gas wells in the pools specifically mentioned in this order is being made.

A check of the file for your Vaughan A-15 #1 15-24-36

Lease Well No. S-T-R

shows that we do not have either Commission form C-105 or U.S.G.S. form 9-330. It is therefore requested that you submit the copies of the appropriate form to the above address as promptly as possible.

Your cooperation will be greatly appreciated.

Yours very truly,

OIL CONSERVATION COMMISSION
