Gentlemen:

Due to recently submitted gas-oil ratio test for your R.L. Gates #1 located in Unit D, Sec. 23, T24S, R36E, Lea County, New Mexico, it will be reclassified as an oil well in the Galmat Pool, effective September 1, 1986, and the gas allowable will be cancelled when the oil allowable is assigned. If you do not concur with this reclassification, please submit another test.

To update our files, please submit two copies of a revised Form C-102 outlining the 40-acre proration unit for this oil well classification.

Very truly yours,

OIL CONSERVATION DIVISION
