Dear Mr. Welch:

Enclosed please find approved Form C-101, Notice of Intention to Drill, your #2 J. L. Coats well in Lea County, New Mexico.

The delay in approval was due to the fact that we must have an approval in our files of the blanket bond before the Form C-101 could be approved.

The location and drilling program meets with the requirements of the Commission and the approval was held only for the bond.

Very truly yours,

OIL CONSERVATION COMMISSION
