W. E. Butler  
2005 Adolphus Tower  
Dallas 2, Tex.

Dear Mr. Butler:

Our records indicate that you were notified by letter dated June 13, 1957 that the marker had not been cemented and the quarter quarter section was not inscribed on it at the location for your Malco State No. 1 in Unit A of Section 23, T-26-S, R-36-E.

On August 30, 1957 Mr. Engbrecht made another inspection of this location and found that these things still had not been done. Please give this matter your early attention so that we may close the file on this well.

Yours very truly,

OIL CONSERVATION COMMISSION
