Dear Sir:

Mr. Eric Engbrecht, Oil & Gas Inspector for the Commission, has made an inspection of the location for your Malco State No. 1 in Unit A of Section 23, T-26-S, R-36-E and has found that the marker is loose and that the quarter quarter section has not been inscribed on it as required.

Please advise this office when these things have been done so that a final inspection may be made and your Report of Final Plugging approved without further delay.

Yours very truly,

OIL CONSERVATION COMMISSION
