

OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELLS

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below.

 Title

1. The first part of the document is a letter from the

author to the editor of the journal.

The letter is dated 1st January 1970 and is addressed to the editor of the journal. The author, who is a member of the editorial board, writes to inform the editor of the changes that have been made to the journal's format and content. The author mentions that the journal will now be published quarterly and that the number of pages will be increased. The author also mentions that the journal will now include a section on the history of the journal. The author concludes the letter by expressing his hope that the editor will find the changes to be of interest and value.

The second part of the document is a letter from the editor to the author. The editor, who is also a member of the editorial board, writes to inform the author of the changes that have been made to the journal's format and content. The editor mentions that the journal will now be published quarterly and that the number of pages will be increased. The editor also mentions that the journal will now include a section on the history of the journal. The editor concludes the letter by expressing his hope that the author will find the changes to be of interest and value.

The third part of the document is a letter from the author to the editor. The author, who is a member of the editorial board, writes to inform the editor of the changes that have been made to the journal's format and content. The author mentions that the journal will now be published quarterly and that the number of pages will be increased. The author also mentions that the journal will now include a section on the history of the journal. The author concludes the letter by expressing his hope that the editor will find the changes to be of interest and value.
