17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

We request approval to produce subject well through the casing.
Tubing in this well is plugged, increasing the casing pressure to 1000 psi.
Flushing and swabbing produced little results. We will temporarily
produce through casing by opening the casing valve (well has no packer).
Plans for this well are to GIH with bit and scraper and clean it out.
Verbal approval received 8/18/80 per Jerry Sexton.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
