Box 174  
Midland, Texas

Dear Mr. Black:

A check of our records indicates that you were notified by form letter dated January 7, 1958 that it would be necessary for you to either obtain a casinghead gas connection or secure a no-flare order for your Flora B. Davis No. 2 in Unit B of Section 8, T-23-S, R-37-E before February 29, 1958. Our files do not reflect that you have as yet done either, however.

Please either file Form C-110 showing a casinghead gas connection or make application for a no-flare order at your earliest convenience in order to avoid allowable cancellation for this well.

Yours very truly,

OIL CONSERVATION COMMISSION
