17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

This well was shut down March 15, 1973, as uneconomical to operate. We propose to temporarily abandon the well by leaving it shut in. The fluid level will be monitored periodically, and if the level rises sufficiently, the well will be tested and if economical to produce will be returned to production.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
