Re: Our Clift Lease
SE Sec. 8-23S-37E

Dear Roy:

Would you be kind enough to change your records to read
Uscan Drilling Company in place of R. Olsen Oil Co., with reference
to the completion of our #2 Clift located C NPSR Sec. 8-23S-37E
Lea County, New Mexico.

I was in error on how this lease was carried and just
recently our Oklahoma City office called this to my attention.

Yours very truly,

/s/ J. T. Paddleford

Geologist
R. Olsen Oil Co.
