Re: CLINE FEDERAL NO.1
S-14, T-23-S, R-37-E

Dear Mr. Montgomery:

Enclosed is a photo copy of USGS Form 9-331a, Sundry Notices and Reports on Wells giving notice of the plugging and abandonment of Cline Federal #1 on March 14, 1956.

This well was not worked over. Attempts to complete it were made in numerous zones but no productive pay was ever encountered. For further information please refer to our letter to Mr. A. L. Porter Jr., dated March 27, to which several forms C-115 were attached.

Sincerely yours,

DELHI-TAYLOR OIL CORPORATION

W. L. Schneider
