RE: RECLASSIFICATION OF WELL FROM DISPOSAL TO INJECTION  
Cline Federal #4 Unit K, Sec. 15, T23S, R37E

Gentlemen:

We have received a copy of your sundry report from the BLM indicating you want to change the well designation from salt water disposal to water injection. Since this well was permitted as a water disposal well under SWD-362 you will need additional approval from our Santa Fe office to establish an injection project.

Please contact David Catanach in our Santa Fe office at (505) 827-5807 for additional information on how this can be done.

Very truly yours,

OIL CONSERVATION DIVISION
