Gentlemen:

A check of the file on your Kelly State No. 1 in Unit K of Section 17, T-23-S, R-37-E, Langlie Mattix Pool indicates that you have not complied with Commission Order No. R-553 in either obtaining a casinghead gas connection or making application for an NFO Order. To avoid cancellation of the allowable for this well, it will be necessary for you to immediately either apply for an NFO Order or file Form C-110 showing a gas connection.

Yours very truly,

OIL CONSERVATION COMMISSION
