Gentlemen:

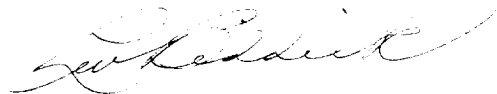

The location of our Hughes B" 2-3 has been changed. We reported this well as 990' from the North line and 990' from the West line of Section 17-23S-37E, Lea County, New Mexico, on our Notice of Intention to Drill filed with you recently.

This well is now located 1650' from the North line and 990' from the West line of Section 17. *Gorit-*

Shall we file a new Intention to Drill, or will this letter serve as notice of this change?

Yours very truly,
