Gentlemen:

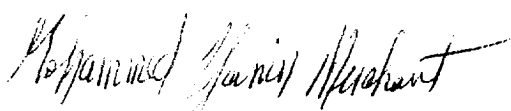

PENROC OIL CORPORATION requests administrative approval for a non-standard 280-acres proration unit for the captioned.

Earlier by Administrative Order SD-87-1, the well had simultaneous dedication with well no. 5, which is now a 40-acre Jalmat oil well. Also, by Administrative Order No. NSP-559 this well was dedicated 320-acres.

Your early approval of a 280-acres NSPU would be greatly appreciated. By copy of this letter all off-set operators have been informed of this application. Thank you.

Sincerely,
