Re: Shell State SWD #13-L 32-23-37: C120-A Reports.

Dear Mr. Sexton:

Please consider this letter to be in response to your letter dated May 7, 1990, in which you indicate that EPNG has not filed Form C-120-A reports for the above reference disposal well since November, 1986. The disposal well in question is located at EPNG's Jal No. 4 Plant and has not been in use since November, 1986. It is our understanding, however, that a monthly report must be filed whether the well is active or inactive. EPNG's personnel in the Jal Area will begin filing the necessary report beginning in June.

Please consider this correspondence to be a report for the period 11/86 to 5/90 for the referenced well. During this time period, no water was injected into the disposal well.

If you have any questions concerning this matter, please feel free to contact me at 915/541-2323.

Sincerely,

A handwritten signature in cursive script that reads "Philip L. Baca".

Philip L. Baca, P.E.
Sr. Compliance Engineer
