

NEW MEXICO OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELL

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-offs, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:

REPORT ON BEGINNING DRILLING OPERATIONS		REPORT ON REPAIRING WELL	
REPORT ON RESULT OF SHOOTING OR CHEMICAL TREATMENT OF WELL		REPORT ON PULLING OR OTHERWISE ALTERING CASING

Title

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that this is essential for ensuring transparency and accountability in the organization's operations.

2. The second part of the document outlines the various methods and tools used to collect and analyze data. It highlights the need for a systematic approach to data collection and the importance of using reliable sources of information.

3. The third part of the document describes the process of identifying and addressing potential risks and challenges. It stresses the importance of proactive risk management and the need to develop effective strategies to mitigate potential threats.

4. The fourth part of the document discusses the role of communication and collaboration in achieving the organization's goals. It emphasizes the importance of clear communication and the need for all team members to work together effectively.

5. The fifth part of the document outlines the various metrics and indicators used to measure the organization's performance. It highlights the need for a balanced scorecard approach that takes into account both financial and non-financial factors.

6. The sixth part of the document describes the process of reviewing and evaluating the organization's progress. It stresses the importance of regular reviews and the need to use the results of these reviews to inform decision-making and improve performance.

7. The seventh part of the document discusses the importance of continuous improvement and the need to seek out new opportunities for growth and innovation. It emphasizes the importance of a culture of learning and the need to embrace change and innovation.

8. The eighth part of the document outlines the various challenges and obstacles that the organization may face. It highlights the need for a proactive approach to problem-solving and the importance of developing effective strategies to overcome these challenges.

9. The ninth part of the document discusses the importance of maintaining a strong relationship with stakeholders and the need to communicate effectively with all parties involved. It emphasizes the importance of transparency and the need to build trust and credibility.

10. The tenth part of the document outlines the various conclusions and recommendations that have been drawn from the analysis. It stresses the importance of implementing these recommendations and the need for ongoing monitoring and evaluation.
