

This is a topographic map of a region in North America, likely in the western United States. The map features a grid system with coordinates ranging from 10° 47' to 10° 50' North and 106° 14' to 106° 17' West. The map shows a network of roads, including a major highway running diagonally from the bottom left towards the center. Other features include a radio tower, a pipeline, and several oil wells. A large, dark, irregularly shaped area is highlighted in the lower-left quadrant, possibly indicating a specific site or feature. The map also shows a network of roads, including a major highway running diagonally from the bottom left towards the center. Other features include a radio tower, a pipeline, and several oil wells. A large, dark, irregularly shaped area is highlighted in the lower-left quadrant, possibly indicating a specific site or feature. The map is oriented with North at the top.
