Section 4, T26S, R37E

Gentlemen:

Your intention to recomplete the above-referenced well from a Langlie Mattix oil well to a gas well in the Rhodes Yates-SR Gas Pool has been received from the BLM. It is noted that the location 480/N & 990/W, is unorthodox for a gas well and will require approval before the well can be produced.

Very truly yours,

OIL CONSERVATION DIVISION

Supervisor, District I
