Meridian Oil Inc. is respectfully requesting to continue the TA status. This request is made due to the ongoing problems concerning the Rhodes Gas Storage Unit, as this lease is a part of said unit. We are planning to meet with representatives of the BLM and MMS to resolve said problems. This meeting will take place before December 15, 1995. Upon resolving said problems with the storage unit, then an additional three (3) months is needed to evaluate the situation and go from there.
