Re: Electrical log on Farnsworth #1  
Sec. 4-26S-37E

Attention: Mr. French

Gentlemen:

Since your Farnsworth #1 is outside the boundaries of a designated pool, which you indicate as the Langlie-Mattix, we shall appreciate it if you will submit to the Commission a gamma-ray or electrical log on this well, so that we may make a further study of the producing formation.

Yours very truly,

OIL CONSERVATION COMMISSION
