17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

We propose to install pumping unit and test tank at well location. We will pump test well to determine if well is economical to produce. Any oil produced will be transferred to oil tank located in unit F, Section 4, T-26-S, R-37-E on same lease and sold. Oil will be co-mingled with oil produced from other wells on same lease. Any gas produced will be vented during test period. Any water produced will be disposed of into SWD No. 7 located in unit F, Section 4, T-26-S, R-37-E.

18. I hereby certify that the foregoing is true and correct
