The Meridian Oil Inc., Farnsworth C #2-G 4-26-37  
should be removed from the gas proration schedule  
in the Jalmat Pool. EPG is transporter.

This area was deleted from the Jalmat Pool by R-6891  
and placed in the Rhodes Yates SR Gas Pool and is  
no longer prorated. You should have been given  
info to remove this well sometime ago.

Thanks,

Evelyn
