13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

DENIED { We have engaged petroleum engineers Mohajir & Company to make a comprehensive study of this property. During the 90 days until the study is finished, it is important this location be kept available for possible development. Accordingly, we request permission to keep TA status on this well for this 90 day period.
