DETAILS OF WORK

(State names of and expected depths to objective sands; show sizes, weights, and lengths of proposed casings; indicate mudding jobs, cementing points, and all other important proposed work)

Tested 5-1/2" casing with 1800# mid-laden fluid on October 18, 1944 after allowing cement to set 72 hours. Tested O. K.

I understand that this plan of work must receive approval in writing by the Geological Survey before operations may be commenced.
