ATTENTION: Mr. Ray Yarbrough  
Inspector

Dear Sir:

As per the letter from your office dated September 26, 1949, to Warren L. Taylor, this is to inform you that the State "A" #1 well, Section 16, T. 26S, R. 37E, Lea County, New Mexico, is now owned and operated by El Paso Natural Gas Company. This well is classified as a commercial gas well.

This is also to inform you that the amount of oil which we have formerly requested to transport is approximately 142 barrels.

According to your recent correspondence with Mr. Taylor, the above information should bring your records up to date and should be sufficient information for the approval of our previous request to transport oil from the State "A" #1 lease.

Very truly yours,

EL PASO NATURAL GAS COMPANY
