Attention: Mr. Randy Montgomery

Gentlemen:

Reference is made to your Order No. R-475 by which an unorthodox Proration Unit consisting of the E/2 W/2 of Section 17, T-26-S, R-37-E, was established for the #1 Elliot Well which is located in the SE/4 NW/4 of this section. The said E/2 W/2 of Section 17 contains 130 acres.

It has been noted by this office that the January Gas Proration Schedule, wherein it sets out wells within the Jalmat Pool, shows the #1 Elliot Well to have but 80 acres dedicated to it.

We would appreciate your noting this fact in order that forthcoming Proration Schedules might correctly show the number of acres dedicated to this well.

Very truly yours,

J. J. Bowden
