13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

Propose to Extend TA Status For Period of One Year.

Justification: Well should be high on top of Seven Rivers Reef, but will require deepening and logging to confirm. Submersible pump would be required for operation. Estimate attempt to return to production within one year.
