County, New Mexico.

Gentlemen:

We are attaching two copies of Continental Oil Company's application for administrative approval for the dual completion of its Eaves A-19 No. 8 as a gas-oil dual well in the Jalmat Gas Pool. Also, we are attaching three copies of Continental Oil Company's application for administrative approval for a 320-acre non-standard gas proration unit for the above well, located 990' FSL and 2310' FWL of Sec. 19, T-26S, R-37E, Lea County, New Mexico, in the Jalmat Gas Pool. The non-standard gas proration unit is to

Mr. J. H. H. H.
Houston, Texas
January 28, 1941

Dear Sirs:
In reply to your letter of January 28, 1941, regarding the proposed sale of the Continental Oil Company to the Standard Oil Company, we are pleased to inform you that the same has been approved by the Board of Directors of the Continental Oil Company.

Very truly yours,
J. H. H. H.

The Continental Oil Company is a subsidiary of the Standard Oil Company, and its operations are conducted in accordance with the policies of the latter company. The Continental Oil Company is a public utility, and its operations are subject to the regulation of the Federal Public Utility Commission. The Continental Oil Company is a member of the American Petroleum Institute, and its operations are in accordance with the standards of that organization.
