Hobbs, New Mexico February 13, 1951

Well No. 2 is located 1280 ft. from N line and 3500 ft. from E line of sec. 30

32 1/4 Sec. 30 26S 37E N.M.F.M.
(1/4 Sec. and Sec. No.) (Twp.) (Range) (Meridian)
Las Cruces Doña New Mexico
(Field) (County or Subdivision) (State or Territory)

The elevation of the derrick floor above sea level is 2946 ft.

DETAILS OF WORK

(State names of and expected depths to objective sands; show sizes, weights, and lengths of proposed casings; indicate mudding jobs, cementing points, and all other important proposed work)

Workover operations were performed on Faves B-30 No. 2 as follows:

A bridging plug was set at 3196' (total depth 3223) and the 5 1/2" casing was perforated from 3187' to 3194'. Two-inch tubing was run with a packer set at 3151' and the well snabbed 2 barrels oil per hour. The hole was acidized through perforations with 500 gallons acid and then snabbed 5 barrels oil, no water, per hour on a 4 hour test. The bridging plug was drilled out to 3219' and on potential test Faves B-30 No. 2 pumped 86 barrels oil and 22 barrels water in 2 1/2 hours.

Workover commenced 2-6-51.

Date tested 2-11-51.

I understand that this plan of work must receive approval in writing by the Geological Survey before operations may be commenced.

By H. J. Jacobs

Title Asst. District Superintendent

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the transparency and accountability of the organization. The text also mentions the need for regular audits to ensure that the records are up-to-date and correct.

2. The second part of the document outlines the procedures for handling financial matters. It details the steps for budgeting, spending, and reporting. The text stresses the importance of adhering to the established financial policies and procedures to avoid any mismanagement of funds.

3. The third part of the document addresses the issue of personnel management. It discusses the roles and responsibilities of different staff members and the importance of providing them with the necessary training and support. The text also mentions the need for a fair and equitable system for evaluating employee performance.

4. The fourth part of the document discusses the importance of maintaining a safe and secure environment for all employees. It outlines the safety protocols and procedures that must be followed at all times. The text also mentions the need for regular safety training and drills to ensure that everyone is prepared in case of an emergency.

5. The fifth part of the document discusses the importance of maintaining a positive and productive work environment. It outlines the strategies for promoting teamwork, communication, and collaboration among employees. The text also mentions the need for a fair and equitable system for resolving conflicts and disputes.

6. The sixth part of the document discusses the importance of maintaining a high level of customer service. It outlines the standards for customer interactions and the steps for addressing customer complaints. The text also mentions the need for regular customer feedback surveys to ensure that the organization is meeting the needs and expectations of its customers.

7. The seventh part of the document discusses the importance of maintaining a high level of ethical standards. It outlines the principles and values that guide the organization's behavior and decision-making. The text also mentions the need for a strong code of ethics and a system for enforcing it.

8. The eighth part of the document discusses the importance of maintaining a high level of financial performance. It outlines the strategies for increasing revenue, reducing costs, and improving profitability. The text also mentions the need for regular financial analysis and reporting to ensure that the organization is on track to meet its financial goals.

9. The ninth part of the document discusses the importance of maintaining a high level of operational efficiency. It outlines the steps for streamlining processes, reducing waste, and improving productivity. The text also mentions the need for regular operational reviews and audits to ensure that the organization is operating at the highest level of efficiency.

10. The tenth part of the document discusses the importance of maintaining a high level of innovation and creativity. It outlines the strategies for encouraging new ideas, fostering a culture of innovation, and implementing new technologies. The text also mentions the need for regular innovation reviews and competitions to ensure that the organization is staying ahead of the competition.

11. The eleventh part of the document discusses the importance of maintaining a high level of community involvement. It outlines the strategies for supporting local initiatives, promoting social responsibility, and engaging with the community. The text also mentions the need for regular community outreach and communication to ensure that the organization is a positive force in the community.

12. The twelfth part of the document discusses the importance of maintaining a high level of environmental sustainability. It outlines the strategies for reducing carbon footprint, conserving resources, and promoting green practices. The text also mentions the need for regular environmental audits and reporting to ensure that the organization is meeting its sustainability goals.

13. The thirteenth part of the document discusses the importance of maintaining a high level of data security. It outlines the steps for protecting sensitive information, preventing data breaches, and ensuring business continuity. The text also mentions the need for regular data security training and audits to ensure that the organization is protected against cyber threats.

14. The fourteenth part of the document discusses the importance of maintaining a high level of legal compliance. It outlines the steps for staying up-to-date on relevant laws and regulations, conducting legal reviews, and seeking legal advice when needed. The text also mentions the need for regular legal training and audits to ensure that the organization is in full compliance with all applicable laws.
