DIL JONSERVATION COMMISSION	N-Cori
Santa Fe, New Mexico	n som
DUPLICATESCELLANEOUS REPORTS ON WELLS	- TEICIT

Submit the prort in triplicate to the Dil Conservation Commission or its proper agent within ten days after the work specified is completed. It shound be signed and sworn to before a notary public for reports on beginning drilling opera-ations, results of shooting well, results of test of casing shut-off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.
