Gentlemen:

A check of the file for your Federal Elliott No. 1 in Unit C of Section 6, T-23-S, R-38-E, Blinebry Oil Pool, shows that we do not have on file a copy of Form C-110 designating the authorized transporter for this well.

We shall appreciate your filing this form at your earliest convenience. If you have a casinghead gas transporter, please show it on this form; if not, it will be necessary for you to make application without delay to our Santa Fe office for a No-Flare Order as required by Commission Order R-610.

Yours very truly,

OIL CONSERVATION COMMISSION
