Gentlemen:

Enclosed herewith is Form C-101 Notice of Intention to Drill, Bob Dean, Ltd., Reese Cleveland No. 1, Sec. 9, T-25-S, R-38-E, NMPM, Lea County, New Mexico.

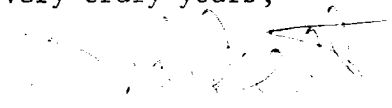

Mr. John West, engineer, is to have delivered to your office the Form C-128 to accompany the above mentioned Form C-101 in order to avoid delay in filing and approving the forms. Would you please attach the necessary copies?

The patented land owner is Chas. W. Ely, who is deceased, and we do not have an address available for his heirs, therefore this space on the C-101 was left blank.

Your consideration in approving the application will be much appreciated, inasmuch as the operator has an obligation to be drilling by September 2, 1962. If there is any question whatsoever about the forms which should be taken care of, please call the number listed on letterhead above (collect) so that we can obtain approval at once.

Thank you very much for your courtesy in this and all past instances.

Very truly yours,

V. Pickett
