TITLE

This form must be filed in accordance with RULE 1104.
If this form is required for allowables on a newly drilled or deepened well, this form must be accompanied by a tabulation of the deviation tests taken on the well in accordance with RULE 111.
All sections of this form must be filled out completely for allowables on new or deepened wells.
Fill out Sections I, II, III and VI for changes of owner, well name or change of transporter or other such change of condition.
Separate Form O-104 must be filed for each pool in multiply completed wells.
