17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Production from this well had declined to 1 bbl. oil and 4 MCF gas per day and was uneconomical to operate. The well was temporarily abandoned by shutting it in on June 1, 1969. We want to hold the Queen wells for secondary recovery prospects.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
