Re: Ginsberg Fed #6  
Sec 31E-25S-38E  
Lea County, NM

Dear Mr. Sexton:

Enclosed please find a copy of form C-108 (Application for Authority to Inject) in Fina's Ginsberg #6 well located in Unit E of Sec 31-25S-38E, Lea County, New Mexico.

Note that this well has been injecting for some time under order # R3549. The well has really been used for a disposal well and not an injection well. The NMOCD has requested that a new application be filed to change the status from injection to disposal.

Should you have any questions, or need further information, please feel free to call either the undersigned, or the area engineer, Jim Redfearn.

Sincerely,

Neva Herndon
