Gentlemen:

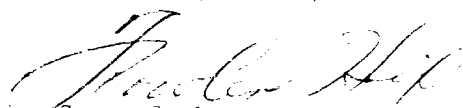

We are enclosing forms C-114, C-115 and C-116 for our Federal
Ginsberg #2 well, in Section 17, Twp. 15S, R. 1E, Lea County, New
Mexico.

We have recently squeezed the Pandora sands and deepened the well
to the Elinebry zone and completed from the Elinebry.

We are also enclosing copies of the reports which have been sub-
mitted to the USGS. These reports explain the work that has been done
on the well.

Please cancel our Landrie Massix allowance for this well and grant
us a Justice Blinetry allowance.

Very truly yours,

General Manager
